Norm – I think your email to Sean was mis-directed to me. I sent the package to Margaret for signature today.

Sean,

Do we know if US EPA actually signed the AOC?

Thanks,

Norm

Sean – Unfortunately, I did not receive the mail with the original signature pages before I left at noon for the public meeting last night. The AOC is going to Margaret today for signature. We have revised drafts of work plans from BP and IR and expect to begin sign-off today or tomorrow on those AOCs. Thank you,

Jacquie

Will Margaret be signing the AOC on behalf of the USEPA in advance of the Public Meeting tonight?

I know you had thought the meeting might expedite the USEPA's signing of the Order.

Please let us know your thoughts on timing.

Many thanks.
